Dear Parents and Carers,

We are exploring changes to our Breakfast Club offer from **September 2026** and would greatly value your feedback.

Our aim is to provide a service that supports families and ensures a positive start to the school day. We are considering a combined model of an **early paid Breakfast Club** alongside the **DfE-funded free provision**, and would like to understand the level of interest and what would best meet the needs of our school community.

Please note that, under the proposed model, **all places—both paid and free—would need to be booked in advance** to enable effective planning of staffing, equipment and breakfast provision.

We would be grateful if you could complete a short survey using the link below, to share your views on:

- Your interest in the different Breakfast Club options
- Preferred timings and frequency
- Paid and/or free provision
- Any additional considerations or support needs

Your feedback will be essential in shaping a provision that is accessible, sustainable and beneficial for families.

Thank you in advance for taking the time to complete it.

Yours sincerely,
